ENVIVA FOREST CONSERVATION FUND

IN PARTNERSHIP WITH THE U.S. ENDOWMENT
FOR FORESTRY AND COMMUNITIES

Acquisition Summary

Acreage	Fair Market Value	Target Closing Date

Project Financial Summary (additional details on page 5)

Partner Contributions	Enviva Forest Conservation Fund Request	Additional Funding Required	Total Anticipated Acquisition Cost

Conservation Values (1000 characters)

Describe how this property helps to implement published conservation plans. Be very specific, referencing page numbers in named plans, if possible.

Current landowner

Easement holder

Public access (if any)

Type of easement-e.g., working forests, etc. Please attach copy of easement if available.

Applicant Background (500 characters)

Include history of conservation activity in this county/area, current land holdings, etc.

Purchase Agreement Details (500 characters)

Including status of negotiations and estimated closing, status of legal due diligence such as title exam, appraisal, survey, etc.

Detailed Description of Property (1000 characters)

Including: land cover (percent in forest, pasture, etc.), forest type (percent in bottomland hardwoods, pine uplands, etc.), forest condition (e.g., harvested in 1995, natural regeneration, etc.)

Development or Conversion Threats (500 characters)

Include urgency of threat.

Secondary Benefits (500 characters)

Special wildlife or At-Risk Species benefits, cultural resources, recreational opportunities, climate change resiliency, etc.

Project Financing (1000 characters)

Include detailed description of funds secured, plans for obtaining any balance needed, intended use of all funds obtained from Enviva Forest Conservation Fund, etc.

Management Summary (500 characters)

Include key provisions and description of planned stewardship and management.

Additional Information (500 characters)

Anything we should know about the property to help us make a decision.

Attachments

- .pdf map and shapefiles for the parcels and map of the watershed in a compressed folder;
- Easement provisions;
- Two photos of the property for media purposes;
- Appraisal, if available;
- At least two and not more than five letters of support, as described in the RFP.
